Dear Robert Wilson + Parkes Shire Councillors,

Thankyou for the public meeting held at Peak Hill
on Thurs. 12 April 2007.

I am writing in regard to the Peak Hill Swimming
Pool and request that we, the swimming club and
the residents of Peak Hill may have an input into
the decision pending the final outcome of Peak Hill
Swimming pool. It is very important to all residents
of Peak Hill and I am sure there would be great
community support behind any proposal as our
pool is widely and well utilised by the schools,
the swimming club and the entire downland region.

Thanking You,

Tanya Wright.

8.6 (ICR) Western Regional Academy of Sport - Request for Contribution

Executive Summary

The Western Region Academy of Sport (WRAS) has forwarded a copy of the Academy's most recent Annual Report and has asked that Council continue its financial support of the Organisation. A copy of the Annual Report can be provided separately to interested Councillors.

Background Information

WRAS provides squad and individual training to chosen sports people in the Central West to help in the achievement of their potential. To further this work WRAS is asking for a financial contribution of \$750.00 for 2007/08. Council provided similar funds to the organisation last year. A number of Parkes Athletes were assisted by the Academy in the previous 12 months.

Dear Mr McCormack

Enclosed is a copy of the Western Region Academy of Sport (WRAS) 2006 Annual Report and a highlight sheet of WRAS's involvement with your council region over the past year.

The Academy is sincerely grateful for the contribution of Parkes Shire Council Council, and there is no doubt that WRAS would be unable to provide the same quality programs to the Western region without the support of all local councils. We sincerely thank you for the 2006/07 contribution of \$752 and ask that you pass on our appreciation to your councillors.

The board, staff and volunteers of the Academy are committed to providing development for the region's most talented sportspeople and have been doing so since 1991. Our programs have been extremely successful with many past and present athletes going on to achieve selection in regional, state and national teams. Without the quality sports development programs the Academy has provided for the past 16 years, these talented athletes may not have been able to realise their full potential and these significant feats may not have been possible to accomplish.

In 2006, the Academy provided opportunities in all local government areas for sportspeople of all levels through the RACE (Regional Athlete and Coach Education) and Talent Search Programs. Each year through these programs, WRAS sends specialist sports science staff into the community to conduct education and testing. This enables sports persons based in your region to have relevant, up to date information and opportunities delivered to them in their own local area.

In 2007, WRAS will extend the programs and opportunities it offers throughout the Western Region. For the past few years the Academy has been working towards building a financial reserve to enable us to increase the quantity and quality of our staff. A Marketing Manager was appointed in early 2007 to help raise the profile of WRAS and the sportspeople it services and decrease the costs for athletes. Later this month we will also employ a fully qualified Program Manager to undertake management of the talent development programs and education. These two positions will improve the quality of WRAS operations and also increase the number of programs that the Academy is able to offer.

To enable WRAS to continue to provide the services it currently offers and assist in its expansion of programs the Academy Board is asking that councils continue their current contribution of 5c per capita. This will ensure that our standard of service is maintained and that we can provide squad programs, talent search testing and education sessions in every Council area. Using the latest population figures from the NSW Local Government Directory (15034), this would mean a contribution for Parkes Shire Council Council of \$750. I have taken the liberty of enclosing a tax invoice for the 2007/08 year.

Once again I thank you for your past contributions and look forward to the continued association of Parkes Shire Council Council and WRAS in the future. If you wish to discuss the amount requested or any other matters regarding the Academy please give me a call on 6338 4821 or you can contact our Chairman, Norm Mann, Mayor of Bathurst Regional Council and the local government representative on our Board (6337 1201).

Yours sincerely

8.7 (ICR) Trundle Community Consultative Committee - Trundle War Memorial Hall

Executive Summary

Confirming previous advice to the Trundle War Memorial Hall Committee that the Trundle Community Consultative Committee (TCCC) would recommend to Council an additional amount of \$15,000.00 be made available to the Hall Committee for repairs to the Hall.

Background Information

At its meeting held on 2 August 2005 (held in Trundle) Council resolved to make an amount of \$5,000.00 available from the Trundle Village Improvement fund to help with urgent repairs to the Memorial Hall. The TCCC advises that since that time, it had informed the Hall Committee that it would recommend to Council that a further \$15,000.00 be allocated from the Village Fund for the purpose. The Hall Committee in a letter dated 14 March 2007 has now asked for the funds. Council has now received written confirmation of the TCCC's endorsement of the allocation. The Hall Committee has also placed a request for \$35,000.00 from the Village Capital Works Programme (Agenda Item 8.2 in this Meeting's Business Paper refers).

Legislative, Policy & Management Planning Implications

Nil.

Budget & Financial Aspects

An amount of \$25,861.00 remains unallocated in the Trundle Village Improvement Fund for 2006/07.

Recommendation

1. That guidelines be established for the acceptance of projects under the Village Capital Works Vote and all villages be invited to participate.
