

11.9. Masterplan - Lions Memorial Park, Parkes

11.9.1. Key Users

Lions Memorial Park is located in eastern Parkes providing passive access to nearby residents with shared paths along Renshaw McGirr Way and Clarinda Street.

The recent construction of the adventure playground and upgrading of the adjacent car parking area has been highly popular with families with children. The park includes barbecue facilities and is popular for private events such as birthday parties, family gatherings and the like.

Users are predominantly families, grandparents or carers with children utilising the adventure playground or nearby residents seeking open space for informal gatherings. .

11.9.2. Design Response

Parkes Shire Council has previously undertaken substantial infrastructure improvements to the Lions Memorial Park over the last five year period. The design response has focused on providing:

- + Maintaining the existing stormwater channel to ease pressure on the urban stormwater network, particularly upstream from receiving waters.
- + Providing high quality infrastructure that complies with all relevant safety standards and delivers maximum community benefit to all ages and user groups.

11.9.3. Project Scope

The project scope for projects at Lions Memorial Park includes:

- + Upgrade of the existing formal garden to include local endemic species and detailed signage of the species within the garden.
- + Maintain drainage channel through formation of the swale and associated upstream and downstream culverts and infrastructure.
- + Remodel of the existing building to ensure amenities are compliant with the Access to Premises Code.
