To the residents/business owners

Dear Sir / Madam

PROPOSED CAR PARKING ARRANGEMENT - McGEES LANE , PARKES

Council is seeking community feedback on proposed changes to the parking arrangements adjacent to McGees laneway between Church Street and Court Street, Parkes.

Concerns have been raised regarding community safety related to the traffic flows and width of McGees lane due to waste facilities from business.

A proposed plan has been developed, to include the widening and realigning a section of McGees laneway to allow two-way travel north and south. With this realignment of laneway carparking arrangement will also be affected, with the loss of 11 carparks.

We invite you to participate in the community consultation by completing the 'Have Your Say' survey, available on Council's website or by scanning the QR code provided.

Any written submissions should be emailed to council@parkes.nsw.gov.au or addressed to

General Manager
Parkes Shire Council
PO Box 337
PARKES NSW 2870

All survey and written submissions will close at **5:00pm 5 June April 2025.**

Once all survey submissions are collated a future report will be presented to the Local Traffic Committee and Council's Ordinary Council Meeting to formally adopt or consider further alternatives based on your comments.

Should you have any queries in relation to these works, please do not hesitate to contact Council's Executive Manager Technical Services, Jaymes Rath, on 02 6861 2333.

Yours faithfully

Logan Hignett
DIRECTOR OPERATIONS
