INTRODUCTION

This report places on record the sports-based achievements and activities of the Parkes Sports Council and the Parkes Shire Council during the 12 months ended 30 June 2022.

As a Committee of Parkes Shire Council, the Parkes Sports Council takes considerable pride in its responsibility for the use of facilities for the sporting public of Parkes Shire. These facilities are used by over 7,000 sporting group members and school children.

The investment in sport infrastructure returns dividends to the community, through sports tourism and the injection of funds these events return to local business.

Once again, many sporting competitions and events were affected by the Covid-19 pandemic. However, an increase in stimulus funding has seen many sporting facilities benefit with over \$4m in capital grants

PARKES SHIRE COUNCIL SUPPORT OF SPORT

The Sports Council members appreciated the interest and contribution provided by the mayor and life member of the Sports Council Cr Ken Keith, as well as Councillors Louise O'Leary, Neil Westcott, and Bill Jayet.

The efforts of Council's Open Spaces Supervisor, Geoff Finn and the Sports Field team of Matt Gillogly, Justin Terrill and Corey Hedges were congratulated by sporting groups and visitors on the presentation of the sporting fields. In addition, the building maintenance services of Bart Ingram was essential, and he is to be congratulated for his professionalism and attention to task over the past year. In particular, the efforts of Tim Gillogly and his management of several sports projects was exemplary, as was the relationships he cultivated with his stakeholders.

FINANCES

Luke Nash again provided professional and adept reporting on the sports activities undertaken by the Council during the year.

The income and expenditure report on the sporting activities of Parkes Shire Council has been prepared and is presented and included as [Appendix A](#). The report indicates to the sporting groups where their fees and levies are spent and shows the contribution Parke Shire Council makes to sport, which was \$380k. During the fiscal year some competitions were affected by reduced competition matches. In these cases, the fees were reduced by Parkes Shire Council to assist the sporting groups. Major costs continue to be salaries and wages, electricity, materials, turf maintenance and repairs. Also included is a report on the capital projects and their status as of 30 June 2022.

DUNCAN MACDONALD FOUNDATION

Parkes Shire Council performed a custodial role for the monies held on behalf of the Duncan McDonald Foundation and is honoured to administer this foundation as it continues its good works in supporting and developing Cricket in Parkes.

The Foundation Committee, including Greg Morrissey, Greg Duffy, Michael Greenwood, and Peter Yelland, in their fiduciary roll allocated funds to 6 players to attend a cricket pathways carnival in December 2021. The current balance of the Duncan McDonald Trust at the end of the fiscal year was \$12,420.14

RON HARRISON BURSARY

The Parkes Shire Council gratefully received funding of \$10,000 from Parkes Rotary to underwrite the Ron Harrison Memorial Sports Bursaries into the future. The funds from this donation have almost been exhausted.

The purpose of the bursary is to:

1. Perpetuate the memory of the late Ron Harrison OAM who passed away in 1985 for his contribution to the community of Parkes and district particularly in the development of sport.
2. Provide financial assistance to sportspersons of the Parkes Shire, particularly those at junior level, who demonstrate the need for such assistance to develop their career.

Ron Harrison Sport Bursary recipients for 2021 was Henry Kross for Squash and Maddie Spence for cricket. The balance of the Ron Harrison Bursary fund at the end of the fiscal year was \$1,708.45

NORTHPARKES MINE / PARKES SHIRE COUNCIL SPORTS GRANTS SCHEME

CMOC Northparkes Mine, Parkes Shire Council and the Parkes Sports Council have developed a program to provide donations to sporting bodies under a jointly developed grants policy. This Sports Grant program aims to increase regular and on-going participation opportunities in sport, and to improve the sporting infrastructure within the Parkes Shire. The grant program is managed by the Parkes Sports Council.

A new improved program started from January 2018 and was renewed in 2021. This program has been enhanced to include additional funding from Parkes Shire Council to boost the total funds available to \$180,000 over three years.

SPORTS GRANTS SELECTION PANEL

The committee that oversees the allocation of the grants includes:

- The Chairperson of the Parkes Sports Council or their delegate (Al Gersbach)
- One (1) Parkes Sports Council member, appointed by the Sports Council (Gail Richardson-Bartley)
- Two (2) Council representatives from the Sporting Facilities Development Committee (Cr Ken Keith and Cr Louise O'Leary)
- One (1) community representative (Michael Greenwood)

SPORTS GRANTS PROVIDED

During the past fiscal year, the following groups were successful in receiving \$62,823 in grants from the Northparkes Mine / Parkes Shire Council Sports Grants Program.

Sporting Group	Project	Requested	Granted

PROJECTS & ACTIVITIES – PARKES SHIRE SPORTING FACILITIES

Facilities continued to be upgraded during the year, through the provision of increasing Government and Council funding and the willingness of sporting bodies to improve local venues.

ARMSTRONG PARK

The basketball court at Armstrong Park continues to enjoy plenty of activity. Large tree pruning and removal work was undertaken.

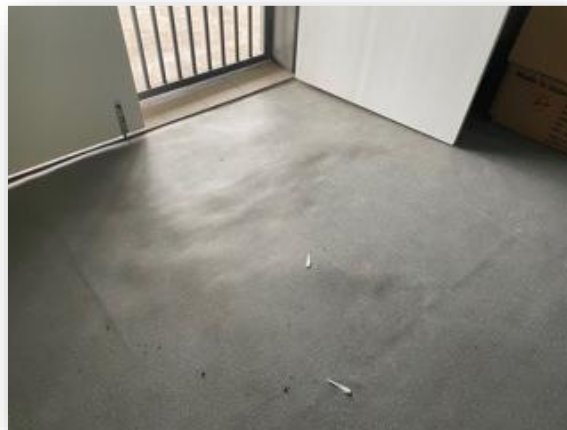

CHENEY AND MCGLYNN PARKS

The under 13's Junior Boys tournament finally went ahead this year after several delays due to the Covid-19 pandemic.

CHENEY PARK

Parkes Hockey, Parkes Touch and Parkes Junior League generally use Cheney Park. There is also a turf cricket wicket on the Northern end of the field, which is not currently in a playable condition. The major issue at Cheney Park remains to be the high-water table in the Southern area, which is affecting Stephen Davies hockey field, the grass turf, and the subfloor area of the newly refurbished amenities building, which has signs of damage due to poor ventilation. Remediation work and additional drainage need to be undertaken to reduce these issues. In addition, the PA system wiring to the field speakers was severed during the original drainage construction works and has not yet been reinstated. The poor grass areas and lack of PA has seen both Parkes Touch and Parkes Junior League relocate to other fields.

Photo 1: Uneven lino floor at Cheney Park Amenities

STEPHEN DAVIES FIELD (SDF)

The field's base and surrounding areas has begun to deteriorate resulting in depressions in the surface. Some minor repairs have been made; however, the surface will require a major upgrade. Parkes Shire Council allocated funds from the Resources for Regions grant program to replace the field during 2022-23. However, the drainage issue must be resolved before the synthetic field is upgraded.

Photo 2 Drainage issues around Stephen Davies Field

MCGLYNN PARK

Parkes Hockey, Netball and Cricket all use the facilities at McGlynn Park. New concrete paths from Baker Street to the amenities building were constructed under the Local Roads and Community Infrastructure grants program during 2021-22.

Photo 3 New Access Path to McGlynn Amenities

*MARIAH WILLIAMS FIELD (MWF)*

The Hockey One match that was scheduled for this year was delayed because of the Covid19 pandemic. It will now be held in October 2022 on Mariah Williams Field. It is anticipated that both Kurt Lovett and Mariah Williams will be present and in action for their respective sides.

HARRISON PARK & PARKER-STONE FIELD

The upgrade to the carparking areas and drainage improvement works along Nash Street were almost complete at the end of the fiscal year. The \$680k project will significantly improve the amenity of the area and was long overdue.

Photo 4 Drainage, carparking and footpath works at Harrison Park

KEAST PARK & SKATE PARK

Works are still planned by Council to expand the Skate Park with a new pump track to the North of the existing skate park. On Sunday 10 April 2022 a skate workshop was held at the Parkes Skate Park as part of Youth Week.

Photo 5 Skate Workshop at the Parkes Skate Park

NORTHPARKES, PIONEER AND SPICER OVAL PRECINCT

The Northparkes, Pioneer and Spicer Ovals precinct is becoming a mecca for major sporting events. The proximity of the three grounds, with very good amenities, provides peak sporting bodies with an ideal venue to host their major events. The addition of upgraded facilities at Pioneer Oval will complete the site and propel it into a major sporting destination.

NORTHPARKES OVAL & ROGER GOOD ATHLETICS FIELD

Parkes' most used facility saw the Panthers share the ground and facilities with the Parkes Boars Rugby Club during the Winter season although the Boars have switched their training ground back to Spicer Oval During Summer, Parkes Little Athletics and Cricket call Northparkes home. Drainage works were completed by Council's contractor at the area around the storage sheds and at other areas around the precinct. The project to build a BBQ shelter at the ground was shelved by Council and the funding diverted to the drainage and parking project at Harrison Park.

Photo 6 Drainage improvement work at Northparkes Oval Storage Sheds

PARK RUN TRACK

Parkes' greatest runner, Scott Westcott set the record of 15:55 on 3 July 2021 for the Parkes Parkrun track, however, plans to name the running track in his honour did not materialise during this fiscal year.

Photo 7 Scott Westcott sets the record for the Parkes Parkrun (Parkes Phoenix).

PIONEER OVAL & JOCK COLLEY FIELD

Parkes Shire Council engaged EJE Architecture to conduct workshops with the key stakeholders to develop their requirements before a comprehensive Concept Design for the grandstand and amenities building was delivered. The \$8.5m project will require significant government grant funding if it is to be realised.

Photo 2 Concept Plans – Pioneer Oval Grandstand

SPICER OVAL

The construction of the new amenities and grandstand at Spicer Oval is well advanced. Parkes Boars are charging towards the finals of the 2022 New Holland Cup and are hopeful that the completion of the construction works coincides with the first match at the ground – the Grand Final!

WOODWARD PARK PRECINCT

DUNCAN MACDONALD NETS

The nets continue to be a real boon for local cricketers and regional representative sides who are enjoying the use of this excellent facility.

WOODWARD OVAL

Woodward Oval remains Parkes' premier cricket ground and is quickly becoming a regional training location with junior sides, such as Cricket NSW's Western Female academy side choosing Parkes for its training sessions. The oval is also home to the Parkes Cobras Soccer Club who participate in the Western Premier League.

TENNIS COURTS

Parkes Tennis Club continued their excellent work in maintaining the courts. The major project to resurface the courts was still outstanding at the time of this report. There were problems with the base courts on some courts, which has resulted in major delays in completing the project. Parkes Shire Council is collaborating with the original contractor and a new provider to complete the work.

Photo 8: Resurfaced Courts 1-4 at Parkes Tennis Club

SMALL TOWN FACILITIES

Parkes Sports field staff are also integral in the provision of playing fields at smaller centres within the Shire. Football and athletics markings were provided in Trundle, Tullamore and Peak Hill and increased attention was provided to requirements of the smaller centres within the Shire.

LINDNER OVAL PRECINT PEAK HILL

Resurfacing of the multicourt at Lindner Oval and refurbishment of the tennis clubhouse was completed during the reporting period.

Photo 9: Resurfaced multicourt at Peak Hill Tennis Club

BERRYMAN OVAL TRUNDLE

The project to install cricket nets at Berryman Oval was completed this year. A new skate park is currently in the planning stages as well as fence works and outdoor gym for delivery in the 2022-23 fiscal year. The

carpark and access road around the oval was surveyed and plans are being developed to improve the drainage.

Photo 10: New cricket practice wickets at Berryman Oval Trundle

POLA PARK TULLAMORE

Tullamore residents are enjoying the upgraded facilities at Pola Park, which were completed last year. No major works were done this year.

PARKES GOLF CLUB

The Parkes Golf Club has been enjoying a resurgence in numbers and fortunes. Golf was one of the few sports that could be played through the Covid-19 restrictions and as a result, enjoyed increased membership and participation in competition events. Plans to redesign the course have been delayed but look to start in September 2022. The changes will see the course layout raised to a par 72 championship level.

Photo 11: Masterplan of the proposed redesign of the Parkes Golf Course

MAJOR EVENTS

The Covid-19 pandemic continued to affect sport around the region, resulting in a delayed start and shortened season for many sports. The winter sports were cut short, and the summer sports were delayed for a couple of months. Tragically, the New Holland Cup rugby grand final, which was set down for Parkes was cancelled due to Covid-19. Also affected was the Little Athletics Zone carnival, which will now be held in November 2022.

LIFE MEMBERS HONOUR ROLL

The life member's honour roll is maintained by the Sports Council and is on display upstairs at the Parkes Services Club, who has generously provided a significant amount of wall space for it. The Life Members Honour Roll continues to effectively reflect the extent of voluntary support provided by hundreds of people to sport in Parkes over the years.

SPORTS LIFE MEMBER – NEW INDUCTEES

Parkes Junior and Senior Cricket recognised some of their long serving members with life membership awards. Clinton Hawke was shocked when PDJCA president Cameron Rosser announced, on the back of a six-page recommendation letter, that he would be receiving life membership to honour over 14 years of coaching and service. Trevor Chapman was singled out for his services to umpiring and followed this award from Senior Cricket with the Umpire of the Year award during the Parkes Shire Sports Awards ceremony. And finally, Greg Morrissey (OAM) now has the honour of being recognised as a life member of both Junior and now Parkes Senior cricket.
